No. 2780-D/44. dated 18th February 1945.

Sir,

Sub: Industries - Sericulture - Kollegal Silk Filatures, Kollegal - Equipment and furniture - Purchase of at a cost of Rs.7800/- Sanction - Requesting -

Ref: G.O.Ms.No.1287 Development dated 28th June 43 -

Sanction was accorded in the G.O. cited above for the construction of a Sechoir at a cost not exceeding Rs.14000/- and for the purchase of some equipment and furniture at a cost not exceeding Rs.9860/- required for the Kollegal Silk Filatures, Kollegal. These items could not however be purchased last year as some of them were not required urgently and the cost of certain items having considerably increased, the amount sanctioned for their purchase was found insufficient. The Manager, Kollegal Silk Filatures, Kollegal, now reports that of the items of equipment sanctioned in the G.O., the articles as per the enclosed list No.I are immediately required during the current year and requests that their purchase at revised rates shown against them may be sanctioned. The cost of these items at present market rates is estimated to be Rs.5,700/- as against Rs.3150/- originally sanctioned in the G.O., cited. Sanction for the purchase of the other items will be applied for, as and when necessity arises.

I request that sanction asked for may be accorded.

2. The Manager, Kollegal Silk Filatures states that in addition to the items mentioned above, the items listed in Statement No.II are also required for immediate use for the reasons explained against them. I recommend that in the circumstances stated by him, sanction may be accorded for their purchase also at a cost not exceeding Rs.2100/-.

3. The expenditure involved will be met from the provision made in the Budget Estimate for the current year.

for Director of Industries & Commerce.
